

EISENHOWER REFUSES SECOND-TERM HINT

Nominate Candidates For City Offices

3,142 Voters Go to Polls In the Primary

Gibbons, Mugge in Final Race for Mayor on April 19

Harrisburg yesterday nominated its candidates for mayor, commissioner and police magistrate as 3,142 voters went to the polls in the primary election which preceded the April 19 final balloting.

Nominated yesterday were: For Mayor: Claude Gibbons and Hudson Mugge.

For Commissioners: Charles R. Hine, Sneed Jordan, Morris Darnell, Charles Walker, Harry Denny, Ernest Duncan, Donald Williams and Charles D. Taylor.

For Police Magistrate: John Small and Charles McKenzie, a race in which each got 1,335 votes, according to unofficial figures.

Gibbons Carries All Wards
Voters yesterday were entitled to vote for one of the three candidates for mayor, four of the 22 candidates for commissioner and one of the two candidates for police magistrate. On April 19 they will select a mayor, four commissioners and a police magistrate from those nominated yesterday.

Gibbons carried all of the eight city wards in finishing nearly 800 votes above second place in the race for mayor. Unofficial figures showed he received 1,813 to 1,032 for Mugge and 146 for Walter Sisk.

Charles R. Hine, local service station operator, was a strong first for city commissioner, piling up 954 votes. Sneed Jordan, present water board member, was a good second with 850. Greater Morris Darnell was third with 749. Charles Walker was fourth with 747. Harry Denny was fifth with 724. Ernest Duncan was sixth with 597. Don Williams was seventh with 593 and Charles D. Taylor was eighth with 571.

Close Magistrate Race
John H. L. Parish almost made the select eight but finished ninth, failing by a half-hundred votes.

But the close race was for police magistrate. The tie will mean nothing as far as having to find a way to break it to determine who won because this was just primary and both men will be on the final election ballot. However, it indicates that the two candidates will be very busy between now and April 19.

All the results of the election were in by 9:30 p. m., following the 5 p. m. closing of the polls. The results were cast in the office of City Clerk Olive Patterson.

First ward to bring in its results was No. 8 in Gaskins City, the vote tally arriving at the city hall shortly before 7 p. m. A total of 176 votes was cast there.

Biggest turnout was in Ward three, where balloting was in the Cummins building. Five hundred forty six votes were cast in this ward. Next biggest was No. 5, at Leo Richmond's garage, where the vote was 521.

A tabulation, by precinct, of the vote of all the candidates is carried in an adjoining column.

Paul Baker Elected President of Saline County Dry Association

Paul Baker of Dorris Heights is the newly elected president of the Saline County Dry association.

Mr. Baker was elected to head the county dry organization at a meeting held Monday evening in the First Baptist church. He fills the post left vacant by the death of Fred Wasson.

During the evening, attended by representatives from Galatia, Stonefort, Carier Mills, Eldorado and Harrisburg, a memorial service for the late Fred Wasson was held, with the memorial prayer by Mrs. Robert Melven.

Other officers of the association are Guy Bixler, Galatia, vice president; J. B. Clark, Harrisburg, treasurer; and Mrs. Louis Gall, Harrisburg, secretary.

Woman Attorney is Nominated to Run For Police Magistrate at Pekin

A woman attorney was nominated to run for police magistrate at Pekin and a Champaign filling station attendant won a majority nomination in Illinois primary elections Tuesday.

The races were also highlighted by the nomination of a mayor bidding for a fourth term at Forest Park and the defeat by a record vote of Streator's two-term mayor.

The primaries were held mostly in communities with commission government. Most of the candidates will run in general elections April 19.

At Pekin, where Mayor John McGinty was nominated for re-election, voters chose Mrs. Velma Norman, a lawyer, as the top candidate for police magistrate. Residents said it was the first time in memory a woman was nominated for the job.

Elsewhere in the state, bulldozers slashed through an earthen and concrete dam at Lake Jackson in an attempt to keep it from breaking. The lake, which normally covers only 15 acres, was two miles long and 65 to 70 feet deep at some spots.

Ten families were evacuated from their homes below the dam and Route 74 was closed.

At Pittsburgh, the Allegheny and Monongahela rivers were expected to crest at 23 feet and parking wharves were closed along the Monongahela.

The two rivers meet at Pittsburgh to form the Ohio river, which was expected to crest later today.

When the Middle Fork operation ends, water department employees will get the Congo pump, a 900 gallon per minute apparatus up the stream, into operation. The pump and motor were hoisted out of the high water Saturday night.

Best estimates are that the city has a six-months' water supply in the reservoir and about a month of water in the adjacent borrow pit. And there is water in Lake Harrisburg that can be turned loose when needed.

With Middle Fork and Bankston creeks receding, the Ohio river continues to rise. Latest prediction, made by the U. S. Weather station at Evansville, is that the river will crest at Shawneetown at 42.5 feet Tuesday, March 8.

Water going into the south reservoir, which has been empty, was moving through a pipe between the two adjacent bodies of water.

Father of Mrs. H. D. Spence Dies
William A. Austin, 84, a farmer living one-half mile east of Norris City, died today at 3:20 a. m. He was the father of Mrs. H. D. Spence, 105 East Dayton in Harrisburg.

The body is now at the Turner funeral home in Norris City and arrangements are incomplete.

Death Takes Mrs. Grant Flick, 85
Mrs. Rebecca Oglesby Flick, 85, wife of Grant Flick, 1116 South Hobson, died in the Harrisburg hospital last night at 11:15.

She was the daughter of the late John Farmer who lived in Mitchellville and who was a general in the Civil War. Surviving are four daughters, Lela Irvin, Marie Gill, Bonnie Wathen, all of Pontiac, Mich., and Goldie Dalton of Whiting, Ind.; 14 grandchildren, 32 great-grandchildren and one great-great-grandchild.

Funeral services will be held Friday at 2 p. m. at the Dorrisville Baptist church. Rev. William F. Upchurch will officiate, and burial will be in the Sunset Hill cemetery.

The body lies in state at the Turner funeral home.

Other Election Results
Here's how mayoral races shaped up in other communities: Decatur: Don Davis, finance commissioner, vs. Clarence Sablotny, former county treasurer.

At Bloomington, meanwhile, the president of the board of education demanded a recount on two education fund proposals which were voted down.

A \$3,350,000 bond issue to build more schools lost by just two votes, according to unofficial returns. A

Others nominated and their vote: Ike Williford 599, A. C. Byrum 467, Wilburn E. Cooley 457, Alex Kennedy 442, C. Mart Watson 425, Frank E. Davis 395 and Gene Gibson 394.

There were 15 candidates in the commissioners race.

Lawrence Gibson with 723 votes and Edward S. Cawthon with 267, were nominated for police magistrate from a field of five.

Floods Claim Seven Lives In Kentucky

Ohio River Rises Following Rains And Melting Snows

Floods from rain and melting snow spread over parts of four states today, and claimed seven lives in Kentucky.

In the West, seven inches of new snow fell around Helena, Mont., in six hours. In the Utah mountains, forest rangers were close to rescue of about 200 skiers snowbound since Friday in mountain lodges.

Swollen streams and backwaters took seven lives in Kentucky, four Sunday and three Monday. Portions of Indiana and Ohio were hit by high waters.

The eastern floods followed days of steady rains and unseasonably mild temperatures.

They hit hardest at West Virginia, where flood waters were receding after driving 300 persons from their homes and temporarily isolating the town of Logan.

It was reported earlier that a body had been found in the Logan flood waters, but the sheriff's office said today the death had not been confirmed.

Rivers were still rising in Ohio and Pennsylvania, although serious damage was not expected.

Lowlands Inundated
The Ohio river was expected to reach a flood stage of 52 feet at Cincinnati, Ohio, and keep on rising. The river spilled into lowlands around Marietta, flooding a church basement and collapsing the foundations of a home.

Elsewhere in the state, bulldozers slashed through an earthen and concrete dam at Lake Jackson in an attempt to keep it from breaking. The lake, which normally covers only 15 acres, was two miles long and 65 to 70 feet deep at some spots.

Remap of Southern Illinois Senate Districts Offered By Jones' Subcommittee

SPRINGFIELD (U.P.)—An Illinois Senate subcommittee today offered a new map of Senate districts in southern Illinois.

The proposal came from a Senate reapportionment and elections subcommittee assigned the job of redistricting the southern half of the state.

The constitutional amendment okayed by the voters last Nov. 2 provides for separate districts for electing Illinois House and Senate members. They're chosen now from the same districts.

There will be 58 new Senate districts—34 downstate, 18 in Chicago, and 6 in Cook county outside Chicago.

Under an opinion from Atty. Gen. Latham Castle, districts must be about the same size within each of these three areas. In downstate Illinois, that means an average of 1,617 square miles each.

The Senate Reapportionment and Elections committee has named three subcommittees to draw up a new Senate map. One is working on Cook county, another on northern Illinois and the third on the south.

Sen. Glen O. Jones, chairman of the southern group, said his subcommittee had come up with a plan that would provide districts averaging about 1,600 square miles each. The committee is trying to keep within 25 per cent of the "ideal" 1,617 square mile figure.

Two entirely new districts would be created under the subcommittee plan. One would be Fayette, Montgomery and Bond counties, and the other Perry, Franklin, Hamilton, White and Gallatin counties. There is no incumbent senator now from any of these counties.

Other Proposed Areas
The other proposed Senate districts, with the incumbent senator from each: Hardin, Saline, Pope, Johnson and Massac counties, Jones (R-Raleigh).

Williamson, Pulaski, Alexander and Union counties, Homer Butler (R-Marion).

St. Clair county alone, James W. Gray (D-East St. Louis).

James P. Lawrence, Edwards, Crawford and Wabash counties, William F. Hensley (R-Lawrenceville).

Madison and Jersey counties, Sen. James O. Monroe (D-Collinsville).

Richland, Jefferson, Wayne and Clay counties, Paul W. Broyles (R-Mount Vernon).

Sangamon and Morgan counties, George E. Drach (R-Springfield).

Clinton, Marion and Washington counties, Dwight P. Friedrich (R-Centralia).

Effingham, Cumberland, Shelby and Christian counties, Lloyd E. Davis (R-Morrisville).

Greene, Macoupin and Calhoun counties, and possibly Scott, W. P. Cuthbertson (R-Carlinville).

Adams, Pike and possibly Scott counties, Lillian E. Schlagenhauf (R-Quincy).

Monroe, Randolph and Jackson counties, E. G. Crisenberry (R-Murphysboro).

It is pointed out that Saline county now has 14 patients in a TB hospital and in addition to the 14 patients in hospitals there are 46 direct contacts to these patients at home. Each of these contacts are visited by a public health nurse and encouraged to have a chest x-ray through the mobile unit.

There are 11 known active cases not in a hospital.

There is a higher death rate for Saline county than for the rest of the state of Illinois exclusive of Chicago.

There were seven deaths due to TB in 1954 in Saline county.

In March 1953, 4119 people received chest x-rays at the mobile x-ray unit. Twenty-one active cases and 247 suspected cases of TB and five other chest conditions were found as a result of this case-finding program.

In March 1954, 3892 received chest x-rays at the mobile unit, followed by full size chest x-rays for 160 people. Ten active cases and 141 suspected cases of TB plus nine other chest conditions were found as a result of this case-finding program.

The death rate from all forms of TB is almost twice as much for men as for women. More deaths from TB occur in middle and old age than among young adults.

The above facts have been presented by the three Saline county groups in an effort to urge all in the county to take advantage of the free chest x-rays in an effort to control tuberculosis.

Children Unauthorized To Collect Funds In Red Cross Drive

The Red Cross announced today that no children have been authorized to solicit funds for the Red Cross drive.

Reports have reached the headquarters that children are collecting funds in this area, and the public is asked to be cautious in contributing by giving only to adult workers who have an official Red Cross solicitor's folder.

Harrisburg March 15-16-17-18-19. The unit will be open from 10-1, 2-5 on all those days except March 17 when it will be open from 1-5 and 6-8.

Galatia, March 22, open from 10-1 and 2-5.

Carrier Mills March 23 and 24, open from 10-1 and 2-5 on each of those days.

The unit is being sponsored here by the Egyptian Health department, the Saline County Tuberculosis association and the Saline County Sanatorium board.

A chest x-ray can discover tuberculosis, heart disease, cancer and other tumors. An x-ray will be made with a personal report without charge. Individual reports will be mailed to each one having a chest x-ray.

PETER EDSON'S Washington News Notebook

'E' is for Ike — Wilson's Press Conferences —
Food Can't Be Bad—Two Marshals—Irreducible

WASHINGTON — (NEA) —
There's a new parlor game mak-
ing the rounds in Washington that
is leaving senators, representa-
tives, assorted bureaucrats and at
least one Cabinet member in a
state of red-faced embarrassment.
Sen. Mike Monroney (D., Okla.)
and Mrs. Monroney introduced the
game with great success the other
night at a party given by Sen. and
Mrs. Robert S. Kerr. There were
35 guests, including the five Okla-
homa Congressmen, Senator Kerr's
staff and half a dozen reporters.

Senator and Mrs. Monroney
passed out pieces of paper and
then asked the guests to list seven
U. S. Presidents whose last names
begin with each of the letters of
CALVEIT. The time limit was 60
seconds. (Try it yourself and see
how you do.)

Only one young woman, one of
Senator Kerr's secretaries, got all
seven names. She was the only
one who named the President
whose name begins with "E." A
horror-struck silence followed an-
nouncement of the answers.

Wrote Senator Kerr in his news-
letter to Oklahoma constituents.

telling of the game:
"My embarrassment was some-
what relieved when I learned
that one of the smart men of
President Eisenhower's cabinet
had the same experience. I don't
want to call names, but I think
the President visited him at his
estate last weekend. I'll give
you ten seconds to answer that
one."

DEFENSE SECRETARY Charles
E. Wilson continues to have the
liveliest press conferences in
town, among cabinet officers.

Badgered by reporters on the
possibility of resigning from his
top job in the Pentagon, some-
one asked Wilson if it would take
an act of God to get him out of
office. He replied:

"People blame God for a lot of
things. Don't blame that on him."

When pressed for comment on
Army Chief of Staff General
Matthew B. Ridgway's opposition
to proposed cuts in the size of the
Army, Wilson observed:

"Now don't forget that I have
a boss who knows something
about the Army, too."

The Secretary was then asked
whether Department of Defense
planned to rent land on which
the Army would hold its man-
euvers. He admitted this was
under study and explained:

"You get into complicated
problems because you're always
breaking down a fence and let-
ting the bulls into the wrong field
—or something."

Reporters' guffaws cut off any
further amplification of that re-
mark.

REP. HARLAN HAGAN (D.,
Calif.) put this item in a report
to his constituents on what Con-
gress was doing:

"TO EAT OR NOT TO EAT —
Republican Congressman Clare E.
Hoffman, a spry and agile 79,
claims one of the reasons for the
high mortality rate among Con-
gressmen is the food served in the
House restaurant. Hoffman, who
has evoked many a controversy on
Capitol Hill, says the food is pre-
pared in unsanitary surroundings.
To protect himself and his younger
colleagues, he has offered a bill for
the immediate construction of a
new dining room."

THE POSSIBILITIES for Rus-
sian Marshal Georgi K. Zhukov to
make that long-delayed trip to the
United States to see his old com-
rade-in-arms, President Eisenhow-
er, are still regarded as rather dim
by people in the know.

Zhukov's 1947 trip to America
was all set at one time. General
Lucius Clay, then U. S. Supreme
commander in Germany, was to
accompany Zhukov. And as
President Eisenhower himself has
revealed, he offered his son as
aide and his Army Chief of Staff's
plane for the trip, to assure safety.

But the day before scheduled
departure, the Russian headquar-
ters in Berlin sent word that
Marshal Zhukov was ill and could not
come. That night he was seen at
the Berlin opera, healthy as you
please. But for three weeks there-

after he disappeared.
When he got back, the Amer-
icans who knew him fairly well
asked him why it was that he
had cancelled his plans. Zhukov
evaded answers. But he finally
revealed that since the Red Army
had two marshals (Klementy E.
Voroshilov was the other) it would
be embarrassing to have one of
them get too much attention.

THE KOREAN AMBASSADOR
to Washington, Dr. You Chan
Yang, has an old Korean folklore
tale which he says is appropriate
for today's exaggerated statements
on new world crises. It's about
an old villager, with quite a repu-
tation as a teller of tall stories.
One day he came running up the
street saying that he had just seen
a serpent three feet thick and 20
feet long.

His friends all told him he
knew there were no serpents in
Korea that long. "Well," said the
man, "it was at least 15 feet
long." Again they laughed at
him and he reluctantly reduced
its length—first to ten feet, then
to five. But at this point he drew
the line.

"I won't reduce it another
inch," he declared. "Remember,
I've kept it three feet thick. If
we cut down the length any
further, we'll end up with a square
serpent."

Mrs. G. H. Moseley, 1954 Mother of the Year, Speaks At Woman's Club Meeting

The Harrisburg Woman's club met in the club room of the public library Monday evening for its February program on the American Home.

Mrs. L. N. Davenport, chairman for the afternoon, accompanied the group at the piano for the opening song, "Home Sweet Home." Mrs. J. A. Bottomley led the Pledge of Allegiance to the Flag.

During the business meeting conducted by the president, Mrs. J. L. Miller, the minutes were read and the treasurer's report given. Mrs. William Biggers, chairman of the Ways and Means committee, stated that the club treasury must be replenished, and in order to do so the members voted to give one dollar each. It was announced that each club member would be contacted with the exception of the honorary members.

Mrs. Miller made mention of the district board meeting to be held in Harrisburg March 10 and of the election of officers to be held at the next regular meeting of the club.

A lovely meditation was given by Mrs. J. A. Musgrave who said that behind the ministers and the laymen of the churches was the American home, and she closed with a prayer written by Peter Marshall.

Mrs. Davenport then introduced Mrs. Pat Sullivan and Mrs. Dale Sullivan who furnished the music for the program. Mrs. Pat Sullivan sang "Home" and "Ah Sweet Mystery of Life," accompanied by Mrs. Dale Sullivan at the piano.

The guest speaker for the afternoon was Mrs. G. H. Moseley, 1954 Mother of the Year from Metropolis, who gave the talk in keeping with the theme of the program "American Home." After asking the question, "How can one tell if our country is good or bad," she quoted a French philosopher as saying "America is great because America is good—and if America ceases to be good, it will no longer be great." During her talk she read magazine articles on juvenile delinquency and stated that the proper bringing up of a child begins in the home and that the parents are responsible for the habits.

self-control and good thinking of children. "Besides negligence, parents are doing wrong by over indulging children — trying to give them everything that they did not have while growing up," she said. Mrs. Moseley closed by saying "the task and the future of America lies on us and our American homes."

A tea followed the program with the members being served hot spice tea and dainty cookies from a table beautifully decorated with a bright red cloth and with a lovely arrangement of white gladioli placed at one end and the tea and crystal service placed at the other. Mrs. E. B. Webster poured. On the refreshment committee were Mrs. Davenport, Mrs. Miller, Mrs. Glynn McCormack and Mrs. L. B. Kimmel.

The guests were greeted by Mrs. Walter Unsell and Mrs. F. N. Rassler.

In appreciation of her presence, Mrs. Moseley was presented with a money gift from the club and a present of pink crystal matched jewelry by Mrs. Davenport.

Mrs. Gladys Appleton of Larchmont, N. Y., is in Harrisburg due to the illness of Dr. Arthur Franks, in whose home she is visiting. Mrs. Appleton is a cousin of Mrs. Franks' mother, Mrs. Bob Burnett.

Mrs. Charles Swansey has gone to Aberdeen, Md., to join her husband, Pvt. Charles Swansey, who is stationed there. He has been in service since October, 1954, and was just recently reassigned to the base at Aberdeen. Mrs. Swansey, the former Miss Joyce Cole, made the trip by airplane, departing from Evansville Sunday.

David Gwin of Central City, Ky., is visiting with his aunt, Mrs. Margaret Burton. Mrs. Burton has had as guests the past week her son-in-law and daughter, Mr. and Mrs. J. C. Whitt, Indianapolis, Ind., and over the week end her daughter, Mrs. Henry Feazel.

Births

Offer Bill to Raise Legal Drinking Age for Women SPRINGFIELD (UP) — A bill to raise the legal drinking age of women from 18 to 21 was introduced today in the Illinois House.

The bill, which has suffered a long record of defeats in past legislatures, was offered by five Republican representatives. Three who sponsored the same measure two years ago were Reps. G. William Horsley, Springfield; Hugh Green, Jacksonville; and Bernice T. Van Der Vries, Winnetka.

Another woman legislator, Pauline B. Rinaker, Carlinville, was also a sponsor.

The measure would ban sales of alcoholic liquor to anyone under 21 years old. The present law permits sales to women over 18 years and men over 21.

Three Democratic representatives submitted a bill that they said would "solve the school finance problems by making honest people out of the utilities."

Reps. Carl Prehls, Pana; Paul A. Zeigler, Carmi; and Robert W. McCarthy, Lincoln, said their bill would require utilities to pay taxes on the property value the utilities claim before the Illinois Commerce Commission.

Zeigler charged the utilities claim a high value on property before the commerce commission so they can get rate increases, but claim a low value of their property for taxation purposes.

"They keep two sets of books," he said.

Aurora Ministers Ask Gentlemanly Conduct by Council

AURORA, ILL. (UP)—The citizens of Aurora were asked to pray today for the return of gentlemanliness and seemly language to the City Council.

The Aurora Ministerial Assn., in a resolution passed Tuesday, named no names.

However, City Council meetings have been frequently enlivened lately by fiery disputes between the city's stormy mayor, Paul Egan, and city officials.

The ministers asked for daily city-wide prayers in hopes that God might "pour out the light of his wisdom upon the leaders of our city government."

The resolution said "we declare the ungentlemanly actions, the inaccurate statements and the streams of profanity which have marked the weekly sessions of the City Council."

The Rev. Wesley E. McKelvey charged last month that Egan swore at him and ejected him from a council meeting.

Egan has feuded with his police chiefs and other city officials. Last week he and a justice of the peace had a fist fight over a decision he didn't like.

The ministerial association's 25 members said they "recognize a moral duty in the face of these conditions and are motivated by an urgent desire to find a solution to the unfortunate situation which prevails."

Aluminum, like wrought iron and brass, has come into its own in furniture and lamps. Don't use abrasives when washing its silvery surface. A soft cloth, suds and working in one direction for washing and rinsing will keep it shiny.

Baker Replaces Ezzard Charles In Ring Ratings

NEW YORK — Big Bob Baker of Pittsburgh replaced ex-champion Ezzard Charles at third place among the world's heavyweight contenders in the monthly ratings released today by Ring Magazine.

Baker's boost from fourth to third strengthened his chance of getting a September title shot. Only Nino Valdes of Cuba, No. 1, and Don Cockell of England, No. 2, are above him now. Cockell already has been signed to challenge Rocky Marciano for the crown at San Francisco in the week of May 16. Valdes could be by-passed again in September.

Baker, carrying 214 pounds on a 6-foot-2 frame, was elevated because of his knockout of Willie James on Feb. 9 and his decision over Rex Layne Monday night. He now boasts eight straight victories.

Despite Charles' victory over Charley Norkus on Feb. 18, the ex-champ was dropped to fourth place because of inactivity. That was his only bout since his last title defeat by Marciano on Sept. 17.

Heinz Neuhaus of Germany, European heavy champion, was dropped from sixth to eighth because he was held to a draw by Henry Hall of New Orleans.

In the lightweight division, ex-champion Paddy DeMarco of New York was dropped from top contender to number four because of his knockout by Seraphin Ferrer of France. Dulio Loi of Italy moved up one notch to first place.

Charles Humez of France rose from fourth to second among middleweight contenders because of his knockout Monday night of Pierre Langlois of France.

Former welterweight champion Kid Gavilan of Cuba sank from

second to fourth among 147-pound contenders because of his upset defeat by Hector Constance on Feb. 23.

In the light heavyweight class, Harold Johnson of Philadelphia regained second place by knocking out Paul Andrews on Feb. 11. Andrews, of New York, dropped from second to fifth.

Mills Says U. I. May Break with NCAA on TV Issue

SPRINGFIELD —Athletic Director Doug Mills has testified the University of Illinois and the Big Ten "may be divorced" from the NCAA because of the squabble over television.

Mills gave his views Tuesday to the Illinois House Education committee. The committee voted 23-0 to approve a bill to allow the U. of I. to televise any or all of its athletic events.

Mills told the committee the bill was "permissive" and would give U. of I. authorities the right to "televise any of their athletic contests they want to."

He said NCAA policies have "restricted and controlled" television of sporting events, particularly football, and the U. of I. and Big Ten have taken a "very strong stand" for a change in the rules.

Mills said the bill was "important" because of "future action that may be taken" by the Big Ten.

"The University of Illinois and the Big Ten may be divorced from the NCAA over this controversy of televising college football," he said.

Favorites Win Opening Games Of Regionals

Washington Snaps Victory String of Unbeaten Roanoke

SPRINGFIELD —Another 120 teams were wiped off the list of contenders for the 1955 Illinois prep basketball crown today as regional tournaments clicked along with hardly an upset.

Rockford West Moline, Centralia and virtually all other favorites captured victories with ease in tourney openers Tuesday night. Two games were played at each of the 60 regional centers.

The 25 meets which began Monday night will launch semifinal play tonight. The 35 others, which didn't start until Tuesday night, will complete their first-round play.

Rockford West, ranked No. 1 downstate, team by the United Press, board of coaches, overwhelmed Lena 102-28 at Freeport. It was the Warriors' 20th triumph in 21 outings.

Freeport Aquin downed Stockton 74-53 in the second game at Freeport to win the right to face Rockford West in the semi-finals there.

Moline, rated No. 2 team by the U. P. board, smothered Orion 91-46 at Geneseo. Rock Island Alleman whipped Erie 86-45 and will bump up against the Moline crew in the next round.

It was a busy night for Centralia, as the Orphans ran away with a 110-37 win over Kinmundy on their own floor. Sandoval edged Breese Mater Dei 65-62 in the other match at Centralia.

Centralia scored 78 of its 110 points in the second half. The total broke the old school record of 106 points. Bobby Joe Mason was top scorer for the Orphans with 31 points.

Roanoke got a rude awakening at Peoria Manual, where Washington dealt out a 72-37 defeat.

snapping previously unbeaten Roanoke's string of wins at 28. Peoria Central topped the host team 68-58.

Elburn, a district tournament champ, pocketed a narrow 64-62 victory over Wheaton at Aurora.

Aurora West beat Naperville 56-34 in the other contest.

Cumberland and Shawneetown, the only remaining teams that haven't suffered a single loss this season, kept their slates untarnished.

Cumberland whipped Tuscola 77-53 at Mattoon, and Shawneetown beat Ridgway 58-32 at Norris City.

Cumberland has 28 wins to its credit and Shawneetown has 27.

Paris and Casey advanced with ease in the Casey meet. The Paris Tigers turned back Martinsville 94-33 for win No. 23 in 29 games and Casey ousted Marshall 82-55.

A top-drawer semifinal battle between Collinsville and Edwardsville was assured fans at Collinsville as both teams eliminated foes Tuesday night. The hosts tripped up Madison 67-54 and Edwardsville blasted Lovejoy 81-40.

Elgin coasted to a 62-28 decision over Ingleside Grant in the Elgin regional and next tangles with Crystal Lake, 54-50 victor over Woodstock.

Carbondale Attucks, a district tourney winner, continued its winning ways with a 63-51 win over Carbondale at Herrin. Marion took the other contest by a 50-37 margin over Carterville.

Princeton, once-beaten favorite in the La Salle regional, nailed down its 26th triumph, 70-42, over Tiskilwa. Peru St. Bede won from Spring Valley 76-46.

Harrisburg to Play Carmi, Eldorado vs. Mills Prairie Tonight

Shawneetown and Carrier Mills remained in contention today for the Norris City regional crown following victories last night in opening round play. Shawneetown eliminated Ridgway, 58-32, and Carrier Mills edged host Norris City, 50-48.

Tonight's lower bracket first round games pit Harrisburg against Carmi in the 7 o'clock tussle and Eldorado against Crossville district winner — Mills Prairie — in the late affair.

By virtue of their victories last night, Shawneetown and Carrier Mills will meet in the first game of Thursday evening's semifinals. Tonight's victors will pair off in the second game tomorrow.

More than 2500 hardwood fans were on hand for the festivities last night and witnessed two fine ball games.

27th Victory

Shawneetown's 26-point victory — their 27th of the year without a defeat — belied the tenseness of the struggle with longtime foe Ridgway.

Coach Al Penman's quintet, playing a slow, methodical game, was in command most of three quarters. But Shawneetown, once establishing a small lead, was able to extend it easily in the final period.

Content to take few shots and control the ball as much as possible, Ridgway made its style of game pay dividends. The Eagles led 12-9 at the quarter and 26-22 at the half. Their widest margin of the game came shortly before the end of the half when they held a 24-18 edge on the Indians.

Indians Gain Upper Hand

Don Crayne's sharp-shooting was largely responsible for Ridgway's first half advantage. Crayne hit five of six efforts from the field. The entire Ridgway team took but 14 shots in the first half, converting nine.

The Indians, only briefly in the lead during the first half, finally gained the upper hand for keeps late in the third quarter. They held a 31-28 advantage as the fourth opened.

Then, as personal fouls began to take their toll of the Eagles, Shawneetown's victory margin mounted. Ridgway lost three men — P. Drone, Downen and Crayne — via the foul route in the final quarter. Shawneetown outscored their opponents 27-4 in this quarter and 36-6 for the last half. Ridgway failed to hit from the field in the last 16 minutes of play.

Wildcats Check Rally

Carrier Mills had to check a desperate fourth quarter rally by Norris City to win its game, 50-48. Although they never trailed after the first quarter, the Wildcats were threatened seriously on five occasions during the final eight minutes, as Norris City pushed within two points of the Saline quintet.

The score was deadlocked six times in the initial quarter before Carrier Mills grabbed a 18-16 quarter advantage. Agile Oliver Rollins garnered 12 of the Wildcats' 18 in this canto. Both teams slowed their offensive pace in the second with Carrier Mills outpointing their foe, 9-7, for the period.

This gave them a 27-23 lead at the intermission.

Points in the third it appeared that Carrier Mills was on the way to an easy victory, having piled up a ten-point, 35-25, edge. Norris City collected seven points to the Wildcats' three, however, in the closing two minutes of the frame and trailed only 32-32 as the period ended.

In the whirlwind fourth, the Cardinals continued to hack away at the Wildcat lead. Five times — twice in the final minute of play — Norris City moved within two points of the eventual victors. Max Berns' two charity tosses in the final 12 seconds gave the Sheldon-coached club a 50-46 command in the crucial moments. Norris City's final basket came two seconds before the game-ending buzzer.

Sportscaster to Wear Tennis Shoes Until Centralia Wins Title

CENTRALIA — A sportscaster donned a pair of tennis shoes Tuesday night and vowed he'll wear them 24 hours a day until Centralia wins the 1955 Illinois prep basketball crown.

Centralia player Jim Dorris donated the shoes to Pete Brown of Centralia radio station WCNT. Brown said he won't take them off as long as Centralia is in the running for the state title — and he expects Centralia to play and win in the finals March 19.

Dorrisville, Logan Win Games in Grade School Tourney

Dorrisville and Logan won in the grade school basketball tournament games Tuesday afternoon. The games are being played in the Harrisburg Junior high school gym.

In sixth grade competition Dorrisville beat Dorris Heights, 32-13 and in the fifth grade game Logan defeated Liberty 24-8.

Today's schedule has Horace Mann vs. Logan in sixth grade play and McKinley vs. Dorrisville in fifth grade competition.

Mooney Falls, in northern Arizona's Havasu Canyon, are higher than Niagara Falls.

Red Cross Turns Down Money from Evanston United Fund Drive

EVANSTON, Ill. (AP)—The American Red Cross has turned down \$72,000 collected in an Evanston United Fund drive.

W. C. Lucey, manager of the Chicago Red Cross chapter, said Tuesday that the money was refused because it is the organization's policy to conduct its own fund-raising campaign.

Evanston officials said the \$72,000 had been set aside for the Red Cross.

The March of Dimes, which has turned down funds raised by consolidated drives in the past, accepted \$1,107 which had been specifically earmarked for it by Evanston donors.

Young Monarch Abdicates His Throne in Cambodia

PNOM PENH, Cambodia (AP)—King Norodom Sihanouk, 33, abdicated today in a dramatic protest against the leftist political groups which oppose his pro-Western policies and his plans for early democratic general elections.

The young saxophone-playing monarch announced his abdication to his 3,700,000 subjects in a radio broadcast just 48 hours after he conferred here with Secretary of State John Foster Dulles on raising and training a 55,000-man Cambodian army.

Norodom resigned in favor of his father, Prince Suramint, 60, who has never been king.

His sensational action which struck consternation here and in western capitals was similar to a gesture he made once before by going into exile to win support against the French.

Norodom is regarded as a bulwark against communism in south-east Asia. This time his action was aimed at his political opponents, chiefly former Prime Minister and pro-Communist rebel chief Song Ngoc Thanh.

Effingham: Former State Rep. Paul Taylor got 1,076 votes for mayor. Mrs. Homer Luttrell got 16 write-in votes and is eligible to run against Taylor in next month's election. Voters okayed two different plans for bond issues to make sewer improvements in an advisory election.

Legislative Committee Shelves Bill to Require Auto Safety Belts

SPRINGFIELD (AP)—A proposed law aimed at getting safety belts installed in Illinois autos lay on a shelf today in the Illinois Legislature.

The House Motor Vehicles Committee Tuesday assigned the measure to a subcommittee for further study—a move which very frequently means a quiet death for legislation.

Rep. Ralph Stephenson (R-Moline) sponsored the bill as a safety measure. It would require hooks to which belts could be attached to be installed in all new cars sold in Illinois.
